While we provide support for AFT Communications modems and other AFT Communications approved modems, we do not provide support for all modems. The AFT Communications modem is to be installed by the customer and is auto-configured.

Please contact Customer Service on 1300 238 266 or via support@aftcomms.com for details on approved modems.

MINIMUM CONTRACT TERM

24 months.

KEY DETAILS

Your AFT Communications Business ADSL 40GB REGIONAL Plan - STANDARD Plan includes a total of 40GB of data per monthly billing cycle. The data total is determined by your highest data usage (either uploaded or downloaded) in the monthly billing cycle. Any unused data for the month expires at the end of each billing cycle. Should you exceed your 40GB of included data in any monthly billing period, an excess usage fee will apply until the current billing period ends.

The Business ADSL 40GB REGIONAL Plan - STANDARD Plan is subject to availability at the exchange that services your location. AFT Communications will provide you with the fastest speed available at your location- either ADSL2+ or, if it is not available, ADSL.

CONNECTION CHARGES

A connection fee may apply to connect your home phone service if the service has been disconnected for more than three months:

- Existing telephone line without a technician visit: \$59.00
- Existing telephone line with a technician visit: \$179.00
- New telephone line connection with a technician visit and cabling work: \$299.00

If you already have an active ADSL service, you may be eligible for a "fast churn". In this case we will be able to transfer your service to us quicker. If your current supplier does not participate in the fast churn process, then we will need to activate your service as a new connection. If your premises does not or has never had an ADSL connection a \$99.00 connection fee will apply.

EARLY TERMINATION CHARGE

If you cancel your ADSL service before the contract term expires, Early Termination Fees (ETF) will apply. The ETF is charged at the rate of the Monthly Access Fee (\$69.95) multiplied by the number of months still remaining on the contract up to a maximum of 12 months. The Maximum ETF cost is \$839.40

COST OF 1MB OF DATA USED WITHIN AUSTRALIA

\$0.0027/MB within the included value where 1GB (Gigabyte) = 1000MB (Megabytes).

Excess data usage charged at 1c per MB.

CONNECTION TIMEFRAMES

Once we've accepted your application, we'll try to connect your phone service on the date you ask for, but this might not always be possible. If there has been a previous working phone service at your property and we can reconnect it without having to visit your property, the local telephone exchange or anywhere in between, then we aim to connect the service within five working days of your request. If this isn't possible, then we aim to connect your service within five to 15 working days, depending on your location.
