

Critical Information Summary

Business PHONE & ADSL Bundle 250GB - STANDARD Plan

SERVICE DESCRIPTION

AFT Communications Business PHONE & ADSL Bundle 250GB - STANDARD Plan provides a business phone service using standard phone lines and a ADSL broadband service on our network. Where our network is not available, the service will be supplied to us by one of our wholesale suppliers, Telstra or AAPT.

You can activate a new broadband and phone service with us or transfer your current broadband and office phone service to us.

HARDWARE

You can purchase a AFT Communications modem for \$149 plus a \$19.95 postage and handling fee. Alternatively, you can use your own modem. While we provide support for AFT Communications modems and other AFT Communications approved modems, we do not provide support for all modems. The AFT Communications modem is to be installed by the customer and is auto-configured.

Please contact Customer Service on 1300 238 266 or via support@aftcomms.com for details on approved modems.

MINIMUM CONTRACT TERM

24 months.

KEY DETAILS

The Business PHONE & ADSL Bundle 250GB - STANDARD Plan includes **free standard local and National voice calls**, PSTN line rental and 250GB of data usage per monthly billing cycle. The data total is determined by your highest data usage (either uploaded or downloaded) in the monthly billing cycle. Any unused data for the month expires at the end of each billing cycle. Should you exceed your 250GB of included data in any monthly billing period, an excess usage fee will apply until the current billing period ends.

The Business PHONE & ADSL Bundle 250GB - STANDARD Plan is subject to availability at the exchange that services your location. AFT Communications will provide you with the fastest speed available at your location – either ADSL2+ or, if it is not available, ADSL.

CONNECTION CHARGES

A connection fee may apply to connect your home phone service if the service has been disconnected for more than three months:

- Existing telephone line without a technician visit: \$59.00
- Existing telephone line with a technician visit: \$179.00
- New telephone line connection with a technician visit and cabling work: \$299.00

If you already have an active ADSL service, you may be eligible for a "fast churn". In this case we will be able to transfer your service to us quicker. If your current supplier does not participate in the fast churn process, then we will need to activate your service as a new connection. If your premises does not or has never had an ADSL connection a \$99.00 connection fee will apply.

EARLY TERMINATION CHARGE

If you cancel your Business PSTN & ADSL Bundle ULGB - UNLIMITED before the contract term expires, Early Termination Fees (ETF) will apply. Phone ETF is calculated by the number of months remaining on the contract up to a maximum of 12 months, multiplied by \$34.00 (+\$20 per month charge applies for regional areas). The Broadband ETF is calculated by the number of months remaining on the contract up to a maximum of 12 months, multiplied by \$45 (+\$20 per month charge applies for regional areas).

- The maximum ETF for Metro is \$948.00
- The maximum ETF for Regional is \$1188.00

If any single service is cancelled, the remaining service will be charged at the full price.

COST OF 1MB OF DATA USED WITHIN AUSTRALIA

\$0.0004/MB within the included value where 1GB (Gigabyte) = 1000MB (Megabytes).

Excess data usage charged at 1c per MB.
